Dear Mr. Ambassador:

Enclosed for your information is a copy of a letter, dated October 1, 1956, which has been sent by the Secretary to the Secretary of Defense transmitting your letter on the recruiting of scientists in Germany. You will recall that Dr. Furnas requested that the letter be sent to Defense officially when you saw him on September 7. The Secretary's letter indicates support of your recommendation.

We have heard from Dr. Furnas' staff that they are prepared to take action on the matter. We will let you know when we hear something definite.

Sincerely yours,

James J. Reinstein
Director
Office of German Affairs
Bureau of European Affairs
